**Dixon-Meyers Trailways is acquired by Windstar Lines Inc.**

---

**Baltimore, Maryland-** August 8, 2012: **Three Twenty-One Capital Partners, LLC** (321 Capital) announced today that it has successfully completed the asset sale of Dixon Meyers Transportation and Dixon Meyers Bus Company d/b/a Dixon Meyers Trailways in Rochelle, IL to Windstar Bus Lines, based out of Carroll, IA.

**Dixon Meyers Transportation and Dixon Meyers Bus Company**, headquartered in Rochelle, IL, have been successfully owned and operated by Marvin and Beverly Binkley for nearly 50 years. The Binkley's retained 321 Capital Partners LLC to find buyers for their business assets. Dixon Meyers Transportation was the largest intermodal and flatbed carrier in Rochelle, IL. Dixon Meyers Bus Company, offered chartered bus services cross country, as an agent of Greatwide Dallas Mavis LLC, as well as offering shuttle services in and around the Chicago, IL area under the trade name Dixon Meyers Trailways.

**Windstar Lines Inc.**, is a family owned business with deep roots in the tour and travel business. Owned and operated by the Greteman family of Carroll, Iowa. Windstar Lines' core values focus on safety and service. It is these core values that have enabled Windstar Lines to thrive since its inception in 1995.

Viewing maintenance as an investment, hiring great people, and putting the customers' expectations first all make for a successful business model. Windstar Lines was recently awarded the prestigious Vision Award from the United Motorcoach Association.

**Three Twenty-One Capital Partners LLC**, headquartered in Baltimore, Maryland, is an international investment banking firm with over 30+ years of experience investing, owning, operating, buying, selling, and consulting over 400 companies, mostly in manufacturing and distribution. 321 Capital Partners provides solutions to middle market businesses including merger, acquisition, sale, equity or debt financing, and turn-around management. 321 Capital Partners' principals are industry experts having owned, operated, bought and sold companies across virtually every spectrum of the manufacturing world.
